Why Study in Italy?

◆ Fully Funded DSU Government Scholarship

The DSU (Diritto allo Studio Universitario) is a government-funded **scholarship** that covers tuition fees, accommodation, meals, transport, and essential living expenses.

◆ World-Class Public Universities

Italy is home to some of the oldest and most **prestigious universities** in the world, including the University of Bologna, Politecnico di Milano, and University of Padova.

◆ No IELTS Required (MOI Accepted)

If your previous academic instruction was in English, you can apply without an IELTS score. A **Medium of Instruction** (MOI) certificate from your institution is accepted.

◆ Low Financial Requirement

The DSU scholarship provides between **€6,000 to €10,000** per year to cover your living and academic costs, reducing financial barriers.

◆ Study Gaps Accepted

Applicants with up to **10 years** of academic or career gaps can still apply, provided they can justify their break in education.

◆ Part-Time Job Opportunities

International students are allowed to work up to **20 hours** per week during academic sessions. This gives you the chance to earn money, gain European work experience.

◆ Post-Study Opportunities in Europe

Get a **1-year** post-study work permit and which allows you to apply for full-time jobs, career visas, or even permanent residency in Italy or other **Schengen countries**.
